Kim Jung Gi 2018 Sketch Collection. The Korean artist, known as Taku, has provided a couple of impressive new sketches for his fans. This time, he focused on human anatomy drawings which is part of the “New Starlight” series. And you should know that he is very experienced in making these amazing, finely detailed drawings which are actually more detailed than those from some of his professional works. He was probably inspired from the greats of history such as Leonardo Da Vinci and Vesalius. If you are a fan of his work, then you should check out his sketch collection. This Kim Jung Gi 2018 Sketch Collection contains a couple of fully coloured works and a lot of black and white drawings. Kim Jung Gi 2018 Sketch Collection. On the other hand, you will definitely notice that he has a decent talent of capturing the facial expressions, especially the eyes. He added that there are still some other sketch drawings which are not in this collection. If you are waiting for them, then you can visit his artist page in order to see them. By the way, you can also find his profile by following this link.
